Product description

This original Porsche 911 997 rim of type "Carrera III", manufactured by BBS, is a high-quality choice for your Porsche, especially for the C2 and C2S models with rear-wheel drive. The rim measures 10J x 18 with an offset of 58, which ensures an optimum fit and excellent driving characteristics.

The rim is in very good condition, undamaged and used. As an original Porsche part, it guarantees the highest quality and compatibility with your vehicle. The silver colour gives your vehicle a classic and elegant look that underlines the sporty nature of the Porsche 911 997.

The OEM number for this wheel is 99736214001, which provides an easy reference for checking compatibility with your vehicle model. It is suitable for both the left and right side of your vehicle and is designed to be fitted to the rear.

Combining style with functionality, this wheel is an excellent choice to enhance the aesthetics and performance of your Porsche 911 997.
