Product description

This high-quality 19-inch wheel for the Porsche 911 997 model, specifically the Carrera S II variant, is a genuine part with the OEM number 997362157000B5. The wheel has a width of 8J and an offset (ET) of 57. The finish is an attractive satin platinum, which not only gives your vehicle an exclusive look but also improves its resistance to environmental factors.

The wheel is designed for fitting to the vehicle's front axle, as indicated by the code "location_fb: Przód". It is also suitable for both the left and right sides of the vehicle, as indicated by the code "location_lr: L=R". This allows for flexible use and simplifies stock management.

As a new, unused and undamaged product, this wheel guarantees the highest quality and reliability. It meets Porsche's strict quality standards and, as a genuine part, is a safe choice for your Porsche 911 Model 997.

The combination of functional strength and aesthetic elegance makes this wheel an excellent choice for car owners who value both performance and style.
