Available:	<b>ready for shipping</b>
<b>Price:</b>	<b>3.248,69 €</b> <b>(nett:2.729,99 €)</b>

## Product description

These 19-inch Carrera S winter wheels are specially designed for the Porsche 911 model 997.1 C2/C2S (pre-facelift, rear-wheel drive). The set includes rims in sizes 8J x 19 ET57 and 11J x 19 ET67, fitted with brand new Pirelli Sottozero winter tyres in sizes 235/35 R19 and 295/30 R19. These tyres offer excellent performance and safety even in low temperatures and difficult winter conditions.

The rims and tyres are equipped with TPMS (tyre pressure monitoring system) sensors, which enable continuous monitoring of tyre pressure and thus ensure improved driving safety. The OEM numbers for these wheels are 99704460026, 99704460006 and 99704460002, confirming their authenticity and compatibility with the specified vehicle model. Although the rims are used, they are in mint condition with very low mileage and possibly minimal signs of use or storage. The tyres are brand new (0 km mileage), guaranteeing you the quality and durability of a new product. These winter wheels are an excellent choice for drivers who value performance, safety and original Porsche parts. Not only do they offer outstanding traction and control on winter roads, they also add a stylish touch to the appearance of your Porsche 911.

## Technical specifications
