Product description

This genuine Porsche Boxster/Cayman 987 19" Turbo I wheel rim is an excellent choice for those looking to replace or upgrade their vehicle's wheels. Designed specifically for the Porsche Boxster model 987, this wheel rim features a 9.5J x 19 size with an offset (ET) of 46, ensuring a perfect fit and optimal handling characteristics.

The OEM number for this product is 99736215808, confirming its authenticity as an original Porsche part. This particular wheel rim comes in a striking dark titanium color (feature code: OC6), adding a touch of elegance and sportiness to your vehicle's appearance. Condition-wise, the wheel rim is used but remains in very good condition, showing only minor signs of wear or storage marks. This ensures that while the product is pre-owned, it maintains a high standard of quality and aesthetics. The Turbo I design of the wheel is iconic, known for its durability and performance enhancement. It is suitable for both left and right sides (location_lr: L=R) and is intended for the rear (location_fb: Tył) of the vehicle. This makes it a versatile choice for replacing or upgrading rear wheels.

In summary, this Porsche Boxster/Cayman 987 19" Turbo I wheel rim is not only a genuine Porsche part that guarantees compatibility and performance but also a stylish upgrade that enhances the overall look of your vehicle.
