### Product description

This set of 20" and 21" "Exclusive Design" summer wheels is specially designed for the Porsche 911 model 992.1 (pre-facelift, built between 2019 and 2024). The combination of high-quality rims and brand new Goodyear "Eagle F1 Asymmetric 3" summer tyres offers optimal performance and aesthetics for your vehicle. The rim sizes are 8.5J x 20 ET50 at the front and 11.5J x 21 ET67 at the rear, ensuring a perfect fit and excellent driving characteristics.

The tyre sizes are 245/35 R20 at the front and 305/30 R21 at the rear, ensuring excellent grip and stability in warm weather conditions. In addition, the wheels are equipped with TPMS (tyre pressure monitoring system) sensors that constantly monitor the condition of your tyres for added safety.

The rims are described as new, with low mileage and possibly minimal signs of use or storage, while the tyres are brand new (0 km mileage). This wheel set is not only functional, but also a visual highlight that underlines the exclusivity and sporty character of your Porsche 911.

The OEM number for this wheel set is 992044661L, which confirms the authenticity and high quality of the original Porsche parts. This set is an excellent choice for drivers who value performance, safety and style.
