Available:	ready for shipping
Price:	3.567,52 € (nett:2.997,92 €)

Product description

This set of 20" Carrera S III summer wheels is specially designed for the Porsche 911 model 991.1 C2/C2S (rear-wheel drive, pre-facelift) and offers an excellent choice for drivers who value performance and aesthetics. The rims measure 8.5J x 20 ET51 for the front axle and 11J x 20 ET70 for the rear axle, guaranteeing an optimal fit and excellent driving characteristics.

These high-quality rims are equipped with brand new Pirelli P Zero summer tyres measuring 245/35 ZR20 for the front axle and 295/30 ZR20 for the rear axle. This tyre combination not only offers excellent road grip and performance in warm weather conditions, but also improved handling and increased driving safety.

The wheels are ideal for vehicles without a tyre pressure monitoring system (TPMS sensors), which simplifies installation and eliminates the need for additional adjustments. The OEM numbers for these wheels are 99104460251, 99104460201 and 9913621660488KPL, confirming their authenticity and compatibility with the specified vehicle model. The condition of the rims is described as like new, with low mileage and possibly minimal signs of use or storage, while the tyres are brand new (0 km mileage). This ensures that you receive a product in near-new condition without paying the new price. In summary, this set of summer wheels is an excellent investment for your Porsche 911 991.1 C2/C2S, not only enhancing the aesthetic appearance of your vehicle but also significantly improving its performance and safety on the road.

Technical specifications

Front rims:	Article number: 9913621610488Z Quantity: 2 Rim width: 8,5J Rim diameter (inch): Offset (ET):
