Product description

This high-quality Porsche 718 Boxster/Cayman 981/982 "Spyder" wheel rim in size 8.5J x 20 ET57, finished in an elegant silk matt aurum, is an original spare part for the Porsche Boxster (model 981) and Porsche 718 Boxster and Cayman (model 982) models. The wheel has the OEM number 982601025ASOP9 and is an authentic Porsche original part that ensures the quality and performance of your vehicle. The wheel is used but in very good condition and undamaged. It was specially developed for the "Spyder" versions of the models mentioned and offers a perfect fit and excellent driving stability. With a width of 8.5J and an offset (ET) of 57, this rim is ideal for your Porsche and enhances the sporty handling and aesthetic appearance of the vehicle. The silk matt aurum colour gives your Porsche an exclusive and elegant look that clearly stands out from standard rims. This product is suitable for both the left and right sides of the vehicle and has been specially designed for the front axle. In summary, this Porsche "Spyder" rim is an excellent choice for drivers who value original parts, reliability and a stylish appearance. It combines functionality with an attractive design that emphasises the sporty lines of your Porsche.
