Product description

Upgrade your Porsche Taycan J1 II (from the year 2024) with this set of 20" Taycan Tequipment Design summer wheels, meticulously designed to enhance both the aesthetics and performance of your vehicle. This set includes two front wheels sized at 9J x 20 ET54 and two rear wheels sized at 11J x 20 ET60, perfectly tailored to fit the unique specifications of the Porsche Taycan.

Each wheel is equipped with brand new Michelin summer tires, with dimensions of 245/45 R20 for the front and 285/40 R20 for the rear, offering exceptional grip and handling during warmer conditions. These tires are renowned for their durability and performance, ensuring a smooth and safe driving experience.

Additionally, the wheels come with RDK sensors pre-installed, which monitor the tire pressure, enhancing your safety by providing real-time updates and ensuring optimal tire conditions at all times.

The OEM number for this set is 9J1073663GG, confirming its authenticity as a genuine Porsche Original part. Although listed as used, the wheels are in near-new condition with very low mileage and possibly minimal signs of handling or storage, paired with factory-new tires that have zero kilometers on them.

This wheel set not only improves the performance and safety of your Porsche Taycan but also elevates its visual appeal, making it stand out with a distinctive Tequipment design. Whether you're upgrading for aesthetic reasons or performance enhancement, this set of summer wheels is an excellent choice for any Porsche Taycan enthusiast looking to enhance their driving experience.
