Product description

Enhance your Porsche Taycan J1 II (Facelift model from 2024 onwards) with this set of 20" Taycan Equipment Design summer wheels, meticulously designed to elevate both the aesthetics and performance of your vehicle. This set includes two front rims sized at 9J x 20 ET54 and two rear rims sized at 11J x 20 ET60, all finished in a striking high-gloss black that adds a touch of elegance and sportiness to your Taycan.

The wheels are equipped with brand new Michelin summer tires, with dimensions 245/45 R20 for the front and 285/40 R20 for the rear, ensuring optimal grip and performance during warmer conditions. These tires are renowned for their excellent road handling, durability, and ability to enhance fuel efficiency.

Included in the set are the Tire Pressure Monitoring System (TPMS) sensors, which are crucial for maintaining the correct tire pressure, thereby improving your vehicle's safety, fuel efficiency, and overall tire lifespan.

The OEM number for this product is 9J1073663HH, confirming its authenticity as a genuine Porsche Original part. Although these rims are used, they are in near-new condition with very low mileage and possibly minimal signs of wear or storage marks. The tires are brand new with zero kilometers on them, ensuring they deliver peak performance.

This wheel set is specifically designed for the Porsche Taycan, ensuring perfect compatibility and performance. Whether you're upgrading for aesthetic reasons or enhanced driving experience, this set of wheels and tires is an excellent choice for any Taycan enthusiast looking to personalize their vehicle with genuine Porsche parts.
