Product description

This set of 20" Turbo S Aero Design summer wheels is specifically designed for the Porsche Taycan J1 II (Facelift 2024-), ensuring a perfect fit and optimal performance. The set includes two different sizes of rims: front rims measuring 9J x 20 ET54 and rear rims measuring 11J x 20 ET60, crafted to enhance the vehicle's aerodynamics and stability at high speeds.

The wheels are equipped with high-quality Michelin summer tires, sizes 245/45 R20 for the front and 285/40 R20 for the rear, offering excellent grip and handling on dry and wet roads. This combination not only improves the driving experience but also complements the sleek design of the Taycan.

Additionally, the set comes with RDK sensors pre-installed, which monitor the tire pressure, ensuring that the tires are always at the optimal pressure for safety and efficiency.

The OEM number for these wheels is 9J1073663FF, confirming their authenticity as Porsche Original parts. These wheels are brand new, unused, and undamaged, maintaining the high standards expected from Porsche.

Whether upgrading for aesthetic reasons or for enhanced driving performance, this set of Porsche Taycan 20" Turbo S Aero Design summer wheels is an excellent choice for any Taycan owner looking to enhance their vehicle's capabilities and appearance.
