Discount:	30%
Available:	shipping in 2-3 weeks
Price:	4.536,77 € (nett:3.812,41 €)

Product description

This set of 20" Carrera Classic II summer wheels for the Porsche 911 model 991.1 C2/C2S (rear-wheel drive, pre-facelift) combines aesthetics with outstanding performance. The wheels are fitted with high-quality Pirelli P Zero summer tyres, which ensure optimum grip and driving stability in warm weather conditions. The dimensions of the rims are 8.5J x 20 ET51 for the front axle and 11J x 20 ET70 for the rear axle, ensuring a perfect fit and excellent vehicle balance.

The tyres are sized 245/35 ZR20 for the front axle and 295/30 ZR20 for the rear axle, providing a wide contact patch and thus improved traction and handling. In addition, the wheels are equipped with TPMS sensors that monitor tyre pressure and contribute to vehicle safety.

The OEM numbers for these wheels are 99104460258 and 99104460208, confirming their authenticity and compatibility with the Porsche 911 model 991. The rims are used but in mint condition with low mileage and possibly minimal signs of use or storage. The tyres are brand new, meaning they have no mileage and therefore offer maximum performance and safety. This wheel set is ideal for drivers who want to enhance the performance and appearance of their vehicle with genuine Porsche parts designed specifically for the 991.1 C2/C2S model.

Technical specifications

Front rims:	Article number: 991362161300C6
	Quantity: 2
	Rim width: 8,5J
	Rim diameter (inch): 20"
	Offset (ET): 51
Rear rims:	Article number: 991362166300C6
	Quantity: 2
	Rim width: 11J
	Rim diameter (inch): 20"
	Offset (ET): 70
TPMS sensors:	Yes
