Discount:	35%
Available:	ready for shipping
Price:	3.364,73 € (nett:2.827,50 €)

Product description

This set of 20-inch winter wheels in Cayenne COUPE design is specially designed for the Porsche Cayenne model 9Y0 (from 2018 onwards) and is an excellent choice for winter conditions. The combination of high-quality rims and specially selected Pirelli winter tyres guarantees optimum performance and safety in cold and slippery conditions.

The rims measure 9J x 20 ET50 for the front axle and 10.5J x 20 ET55 for the rear axle, ensuring a perfect fit and excellent driving stability. The Pirelli winter tyres fitted on the rims, measuring 275/45 R20 at the front and 305/40 R20 at the rear, offer excellent grip and traction on snow and ice. Another highlight of this wheel set is the integrated TPMS (tyre pressure monitoring system), which constantly monitors the pressure in the tyres, providing an additional level of safety.

The wheels are new and unused, making them an ideal choice for Porsche owners who do not want to compromise on quality and performance. The OEM number for this wheel set is 9Y0044632B 22, which confirms its authenticity and specific adaptation for the Porsche Cayenne E3/9Y0.

In summary, this 20-inch Cayenne COUPE Design winter wheel set is an excellent investment for drivers who do not want to compromise on safety, quality and stylish design, even in winter.

Technical specifications

Front rims:	Article number: 9Y0601025CT88Z Quantity: 2 Rim width: 9J Rim diameter (inch): Offset (ET):
