## Product description

This set of 20" Sport Classic summer wheels for the Porsche Cayenne E3/9Y0 I (pre-facelift, built between 2018 and 2023, not suitable for the Cayenne Coupé) is an excellent choice for drivers who want to integrate both functionality and style into their vehicle's equipment. The wheels are fitted with high-quality, new Pirelli summer tyres, measuring 275/45 R20 on the front axle and 305/40 R20 on the rear axle, which guarantees optimum grip and driving stability in warm weather conditions.

The rims measure 9J x 20 ET50 for the front axle and 10.5J x 20 ET64 for the rear axle, finished in an attractive platinum silk matt finish that is not only aesthetically pleasing but also offers high resistance to environmental influences. In addition, the wheels are equipped with TPMS sensors that continuously monitor tyre pressure, thereby contributing to safety.

The OEM numbers for these wheels are 9Y0044661E and 9Y0044660E, confirming their authenticity as genuine Porsche parts. The condition of the wheels is described as very good and undamaged, making them a reliable option for your Porsche.

These wheels are specifically designed for the Porsche Cayenne model series 9Y0 from 2018 onwards and should not be used on other models, especially not on the Cayenne Coupé. The combination of premium tyres and stylish rims makes this set an excellent investment in the performance and appearance of your vehicle.
