Product description

This set of 20" Turbo Aero Design summer wheels for the Porsche Taycan J1 (2019-2024) combines stylish design with outstanding performance. The rims in the dimensions 9J x 20 ET54 for the front axle and 11J x 20 ET60 for the rear axle feature a high-gloss black finish that gives your vehicle an elegant and sporty look.

In addition, the wheels are fitted with new Michelin summer tyres in sizes 245/45 R20 for the front axle and 285/40 R20 for the rear axle, which ensure optimum grip and excellent handling in warm weather conditions. The tyres offer an excellent balance between performance and comfort.

Another feature of this wheel set is the integrated TPMS (tyre pressure monitoring system) sensors, which constantly monitor the pressure in each tyre for added safety and efficiency. The OEM number for this wheel set is 9J1073650D, which confirms its authenticity and quality as a Porsche genuine part. The wheels are in very good condition and undamaged, making them an excellent choice for your Porsche Taycan. This high-quality wheel set is not only an aesthetic upgrade, but also a functional improvement that significantly enhances the driving dynamics and driving experience of your Porsche Taycan J1.
