Price:	8.196,13 € (nett:6.887,50 €)

Product description

This Porsche 718 Cayman GT4RS/Boxster Spyder 982 20" Winter Wheel Set, with the OEM number 98204460020, is specifically designed to enhance your driving experience during the colder months. Tailored exclusively for the Porsche 718 GT4RS and Spyder 982 models, this set ensures perfect compatibility and performance.

The wheel set includes front rims sized at 8J x 20 ET57 and rear rims at 10J x 20 ET45, providing a balanced and stylish stance to your vehicle. The wheels are coated in a sleek, semi-matte black finish that not only adds a touch of elegance but also offers increased resistance to the elements.

Equipped with high-quality Michelin winter tires, sizes 235/35 R20 for the front and 275/30 R20 for the rear, these wheels offer superior traction and control in snowy or icy conditions, enhancing safety and performance. The inclusion of TPMS (Tire Pressure Monitoring System) sensors ensures that you are always informed about the tire pressure, further contributing to safe driving during winter.

As a genuine Porsche product, this wheel set guarantees that you are receiving a high-quality, durable item that maintains the aesthetic and performance standards of your vehicle. Whether navigating through tough winter weather or simply enhancing your car's winter readiness, this Porsche 718 Cayman GT4RS/Boxster Spyder 982 20" Winter Wheel Set is an essential upgrade for any discerning Porsche owner.
