### Product description

This high-quality 20-inch rim for the Porsche 911 model 991.2 Carrera S (IV) impresses with its elegant design in high-gloss black. The rim has a width of 8.5J and an offset (ET) of 49, which guarantees an optimal fit and excellent driving characteristics. The technical designation is "high-gloss black" with feature code 041.

The rim is suitable for both the left and right sides of the vehicle and is specially designed for the front axle. This original Porsche spare part has the OEM number 99136271000041 and promises the highest quality and accuracy of fit that you would expect from Porsche original parts.

The condition of the item is new, which means that the rim is new, unused and undamaged. This product is ideal for drivers who value aesthetics and performance and want to give their Porsche 911 an individual and stylish look.
