### Product description

The 20-inch Porsche Cayenne E3/9Y0 Design wheel in black is a high-quality choice for your Porsche Cayenne from the 9Y0 model series (from 2018 onwards). This wheel, with the technical designation "Cayenne Design", not only enhances the appearance of your vehicle, but also offers outstanding technical features.

The rim has a size of 9J x 20 ET50, which means that the rim width is 9 inches, the diameter is 20 inches and the offset is 50 mm. These dimensions ensure an optimal fit and excellent driving stability. The rim centre is finished in an attractive high-gloss black (feature code 041), which gives your vehicle a striking and elegant look. The rim is suitable for the front axle of the vehicle, as confirmed by the designation "Przód". It can be mounted on both the left and right sides of the vehicle (L=R).

As an original Porsche part (OEM number: 9Y0601025F EXC), this wheel guarantees the highest quality and a perfect fit. It is new, unused and undamaged, making it an excellent choice for replacing or upgrading your Porsche Cayenne.

In summary, the 20-inch Porsche Cayenne E3/9Y0 design wheel in black is an excellent investment for drivers who value quality, aesthetics and performance. It combines technical precision with a stylish design to give your Porsche Cayenne a fresh and dynamic look.
