### Product description

These high-quality 20-inch summer wheels for the Porsche 911, model 991.2 Turbo, are an excellent choice for drivers who value quality and performance. The set consists of two different rim sizes: 11.5J x 20 ET56 for the rear axle and 9J x 20 ET51 for the front axle, both in an attractive titanium finish. These dimensions ensure optimum vehicle balance and improved driving dynamics.

The wheels are fitted with new Pirelli summer tyres, which ensure excellent grip and performance in warm weather conditions. The tyre sizes are 305/30 ZR20 for the rear wheels and 245/35 ZR20 for the front wheels, enabling excellent road holding and quick responsiveness. The rims and tyres are new or as good as new. The rims have very low mileage and may show minimal signs of use or storage, while the tyres are brand new (0 km mileage). This set is listed under OEM number 99136276101OC6KPL and meets the high standards of Porsche original parts, guaranteeing a seamless fit and high reliability.

This wheel set is ideal for Porsche 911 drivers of the 991.2 Turbo model who want to upgrade their vehicle for the summer months without compromising on quality and aesthetics.
