Product description

This original Porsche 911 991.1 C2/2S 20" Carrera Classic II wheel, specified with dimensions 11J x 20 ET70, is a high-quality product that has been specially developed for the Porsche 991 Carrera 2 and 2S (rear-wheel drive) models. The rim guarantees a perfect fit and outstanding performance, making it the ideal choice for vehicle owners who value quality and originality. The rim has the OEM number 991362166300C6 and comes in an attractive and elegant dark titanium colour. This colour scheme gives your vehicle a particularly stylish look. With a width of 11J and an offset (ET) of 70, this rim supports optimum road holding and helps improve the handling of your Porsche 911.

The condition of the rim is very good and it is undamaged. This makes it an excellent choice for anyone looking for original parts for their Porsche. As the rim is used, it offers a cost-effective alternative to new rims without compromising on quality or aesthetics.

In summary, the Porsche 911 991.1 C2/2S 20" Carrera Classic II rim is an excellent way to enhance the appearance and performance of your vehicle while relying on the quality and authenticity of Porsche original parts.
