Product description

This rear silencer is specially designed for the Porsche Macan model 95B (built between 2014 and 2024) with a 2.0-litre engine. It is an essential component of the exhaust system, serving to effectively reduce the noise generated by the exhaust gases. This specific model is mounted on the left side of the vehicle and comes without a tailpipe, giving you the flexibility to install a tailpipe of your choice or use the existing one.

The OEM numbers for this rear silencer are 95B253601AY, PAC253611A and 95B253611KY, which confirm its authenticity and compatibility with the specified vehicle models. As an original Porsche part, this rear silencer not only guarantees a perfect fit, but also compliance with Porsche's high quality standards, ensuring a long service life and optimum performance.

The item is new, unused and undamaged, giving you additional peace of mind when purchasing. By using an original Porsche part, you ensure that your vehicle warranty remains valid and that the performance of your Porsche Macan is not compromised. Ideal for owners who value the preservation and maintenance of their vehicle with high-quality components.
