Product description

The exhaust gas turbocharger on offer for the Porsche 718 Boxster and Cayman, model 982, is an essential component for boosting the performance of the 2.0-litre engine. This turbocharger is specifically designed for the Porsche 718 Boxster and Cayman models of the 982 series and helps to increase engine power through a more efficient air supply and higher compression.

The OEM numbers for this turbocharger are 9A212302206, 9A212302205, 9A212302204, 9A212302203 and 9A212302202, which confirms the spare part's compatibility and authenticity. This is a used part, but it is in very good condition and undamaged. As a genuine Porsche part, it not only guarantees a perfect fit but also the high quality and durability one would expect from Porsche spare parts.

This turbocharger is an excellent choice for vehicle owners who wish to maintain or improve their vehicle's performance without compromising on the quality and authenticity of the components. Fitting this genuine part ensures seamless integration and functionality, specifically tailored to the requirements and specifications of the Porsche 718 models.
