<b>Price:</b>	<b>1.217,01 €</b> <b>(nett:1.022,70 €)</b>

## Product description

The Porsche Taycan Mission E Design wheel, sized 9.5J x 21 with an offset (ET) of 60, is a high-quality component designed specifically for the Porsche Taycan model. This wheel is finished in gloss black, offering a sleek and sporty look that perfectly matches the modern and dynamic aesthetics of the Taycan.

The OEM number associated with this wheel is 9J1601025BQ041, ensuring that it is a genuine Porsche part, ideal for replacements or upgrades. The product condition is used, but has been rated as 'very good' and 'undamaged', ensuring that the quality and integrity of the part are maintained.

Mission E Design wheels not only enhance the visual appearance of the vehicle, but also contribute to improved handling and driving performance thanks to their precise construction and specific compatibility with the Taycan model. This type of wheel is ideal for Porsche enthusiasts looking to maintain the authenticity and high performance of their vehicle with original, well-preserved components.
