Product description

Upgrade your Porsche Macan with the stylish and high-performance 21" RS Spyder Design II summer wheel set, specifically designed for the Porsche Macan models 95B II/III, suitable for facelift versions from 2019 to 2025. This set includes front wheels sized at 9.5J x 21 ET27 and rear wheels at 10J x 21 ET19, perfectly engineered to enhance the aesthetics and driving dynamics of your vehicle.

Each wheel is equipped with new Michelin summer tires, with the front tires sized at 265/40 R21 and the rear tires at 295/35 R21, offering exceptional grip and performance in warmer conditions. The inclusion of RDK sensors ensures accurate tire pressure monitoring, enhancing both safety and fuel efficiency.

Finished in a sophisticated satin black, these wheels not only boost the performance but also elevate the overall look of your Porsche Macan. The OEM number for these wheels is 95B044669H JE1, confirming their authenticity as original Porsche parts.

Conditioned as 'used', these wheels are in very good condition with no damage, ensuring they meet the high standards expected from Porsche original parts. This set is an excellent choice for Porsche enthusiasts looking to maintain the premium quality and performance of their vehicle while adding a touch of elegance and sportiness.
