Product description

The 21" Sport Classic summer wheel set for the Porsche Macan II/III (facelift, model years 2019-2025) combines outstanding aesthetics with high functionality. This set consists of two different rim sizes: 9.5J x 21 ET27 at the front and 10J x 21 ET19 at the rear, both in an elegant, high-gloss black. The rims are fitted with high-quality Michelin "Latitude Sport 3" summer tyres, available in size 265/40 R21 at the front and 295/35 R21 at the rear. These tyres offer excellent grip and stability at high speeds, improving both safety and handling. In addition, the wheels are equipped with TPMS (tyre pressure monitoring system) sensors, which constantly monitor the pressure in the tyres, ensuring optimum performance and increased safety. The OEM number for this wheel set is 95B044665P, which confirms its authenticity and specific fit for the Porsche Macan model 95B (2019-2025).

This product is new, unused and undamaged, making it an ideal choice for vehicle owners who value original parts and the highest quality. The 21" Sport Classic summer wheel set is not only a practical but also a stylish addition to your Porsche Macan, emphasising its sporty look and performance.
