Price:	5.554,93 € (nett:4.668,01 €)

Product description

This set of 21" RS Spyder Design summer wheels is specially designed for the Porsche Cayenne E3/9Y0 II facelift from 2023 onwards, with the exception of the Cayenne Coupé. The wheel combination includes front rims in size 9.5J x 21 ET46 and rear rims in size 11.0J x 21 ET58, each in high-gloss black. These are fitted with high-quality Pirelli P Zero summer tyres, 285/45 R21 at the front and 315/40 R21 at the rear, which ensure excellent handling and optimum road grip.

In addition, the wheels are equipped with TPMS sensors (tyre pressure monitoring system), which constantly monitor the air pressure and contribute to safety. This combination of advanced wheel technology and premium tyres not only ensures improved driving performance, but also an attractive appearance that highlights the sporty aesthetics of your Porsche Cayenne.

The wheels and tyres are new, unused and undamaged, ensuring their quality and durability. As Porsche genuine parts with OEM number 9Y0044663C, they guarantee a perfect fit and performance that meets Porsche's high standards. Ideal for drivers who value quality, safety and striking design.

Technical specifications

Front rims:	Article number: 9Y0601025FDQ01 Quantity: 2 Rim width: 9,5J Rim diameter (inch): Offset (ET):
