Product description

This set of 21-inch summer wheels is specially designed for the Porsche Cayenne E1 models 955 and 957 and offers an outstanding combination of style and performance. The rims are 10J x 21 with an offset (ET) of 50, ensuring an optimal fit and excellent driving characteristics. This set also includes brand new Michelin Latitude Sport summer tyres in size 295/35 R21, which are known for their high performance and excellent road grip.

The rims are marked as original Porsche parts and, despite their used condition, are in mint condition. They have very low mileage and may show only minimal signs of use or storage. The tyres are brand new (0 km mileage), giving you the assurance that you are driving with a product of the highest quality and reliability.

The OEM number for this wheel set is 95504460217, which confirms its authenticity and specific fit for the Porsche Cayenne models mentioned. This wheel set is an excellent choice for drivers who want to enhance the performance and appearance of their vehicle with high-quality, original Porsche components.
