Product description

The 21" SportDesign winter wheel set for the Porsche Panamera model 976 is an excellent choice for drivers who don't want to compromise on style and performance during the winter months. This set, consisting of rims and winter tyres, is specially designed for the cold season and offers outstanding driving characteristics on snow and ice.

The rims in the set measure 9.5J x 21 ET71 for the front axle and 10.5J x 21 ET71 for the rear axle, ensuring an optimal fit and performance. The rims are painted in an attractive silver metallic finish, giving your vehicle an elegant look.

The rims are fitted with Michelin Pilot Alpin 5 winter tyres, which are known for their excellent traction and high safety in winter conditions. The tyre sizes are 275/35 R21 for the front axle and 315/30 R21 for the rear axle, which enables balanced driving dynamics and improved control over the vehicle.

The product has the OEM number 976044601F and is certified as a Porsche genuine part, which means that it meets the highest quality and safety standards. It is a new, unused and undamaged item that has been specially developed for the Porsche Panamera 976 model.

In summary, the 21" Panamera SportDesign winter wheel set is an excellent investment for all Porsche Panamera owners who do not want to compromise on sporty looks and maximum safety, even in winter.
