Product description

This high-gloss black 21-inch rim in RS Spyder design, specifically for the Porsche Cayenne model 9Y0 from model year 2018, combines exclusive design with outstanding quality. The rim size is 9.5J x 21 with an offset of 46, which ensures an optimum fit and driving stability. The rim bears the OEM numbers 9Y0601025FDQ01 and 9Y0601025CDQ01, which confirms its authenticity as an original Porsche part.

This product is used, but is in very good condition and undamaged. As an original Porsche part, it guarantees not only a perfect fit but also compliance with Porsche's high quality standards, which contributes to improved driving performance and aesthetics of your vehicle.

The technical designation "black Q01" refers to the special colouring and finish of the rim, which has a deep black high-gloss finish. This gives your Porsche Cayenne a particularly elegant and sporty look. The rim is suitable for both the left and right side of the vehicle and can be fitted to the front axle.

In summary, this rim offers an excellent opportunity to personalise the appearance of your Porsche Cayenne while optimising performance and safety. This genuine Porsche part is an excellent choice for your vehicle.
