Product description

This original Porsche Panamera G2/971 Sport Design wheel in size 10.5J x 21 ET71 is specially designed for winter use and offers an outstanding combination of style and functionality. The wheel is marked with the OEM number 971698025A 041 and fits perfectly on Porsche Panamera models in the 971 series.

The wheel features a high-gloss black finish, which gives it a particularly elegant and eye-catching appearance. This design element not only ensures an impressive look, but also improves resistance to winter road conditions by providing protection against salt and moisture.

With a width of 10.5J and an offset (ET) of 71, this wheel ensures an optimal fit and weight distribution, contributing to improved driving stability and handling. The wheel is used but in very good condition and shows no damage. It is an original Porsche part, which guarantees high quality and durability.

This rim is not only functional for winter use, but also a stylish addition to your vehicle, enhancing its aesthetics and value. Ideal for drivers who do not want to compromise on the sporty and elegant appearance of their Porsche Panamera, even in the coldest months of the year.
