Product description

This set of 21-inch "Exclusive Design Sport" winter wheels is specially designed for the Porsche Panamera model 971 and offers an excellent combination of style and functionality for the winter months. The rims measure 9.5 J x 21 ET71 for the front axle and 10.5 J x 21 ET71 for the rear axle, ensuring an optimal fit and excellent driving stability.

The high-gloss black rims are fitted with brand new Pirelli Sottozero III winter tyres, available in sizes 275/35 R21 for the front axle and 315/30 R21 for the rear axle. These tyres offer excellent grip and safety in winter road conditions.

In addition, the wheels are equipped with TPMS sensors that monitor tyre pressure and thus contribute to safety. The rims and tyres are considered to be as good as new, with minimal signs of use or storage, while the tyres are brand new (0 km mileage).

The OEM number for this set is 971044630S, which confirms their authenticity as original Porsche parts. This set is an excellent choice for drivers who value quality, safety and an attractive appearance during the winter months.
