### Product description

This set of 22" RS Spyder summer wheels for the Porsche Cayenne Coupé model 9Y0 (from 2018 onwards) combines excellent performance with breathtaking design. The set includes four high-quality rims in sizes 10J x 22 ET48 and 11.5J x 22 ET52, finished in an elegant silk matt black. These are specially tailored to the dimensions and requirements of the Porsche Cayenne to ensure an optimal fit and performance.

The wheels are fitted with high-performance Michelin summer tyres, 285/35 R22 at the front and 315/30 R22 at the rear, which ensure excellent grip and stability at high speeds. The tyres not only offer excellent wet and dry grip, but also a high level of comfort and a long service life.

In addition, the wheels are equipped with TPMS (tyre pressure monitoring system) sensors that constantly monitor the pressure in each tyre, ensuring increased safety and improved handling characteristics.
