### Product description

This high-gloss black 22" Sport Design wheel for the Porsche Cayenne E3/9Y0 is a real highlight for anyone who values aesthetics and performance. The wheel, with dimensions of 10J x 22 ET48, is not only visually appealing but also technically state-of-the-art. It is specially designed for the 9Y0 model of the Porsche Cayenne from 2018 onwards and has the OEM number 9Y0601025CKQ01. The rim is new and undamaged, making it an excellent choice for vehicle owners looking for original parts for their Porsche. The technical designation "black" refers to the high-gloss paint finish, which gives the rim a luxurious and elegant appearance. The designation Q01 indicates this special colour variant. The rim is suitable for both the left and right sides of the vehicle and is intended for mounting on the front axle. With a width of 10J and an offset value of 48, it offers an optimal fit and ensures excellent driving stability. In summary, the 22" Sport Design rim in high-gloss black is the perfect choice for Porsche Cayenne E3/9Y0 owners who want to equip their vehicle with stylish and functional original parts.
