Product description

This high-quality bumper in Aerokit Cup design gives your Porsche 911 model 997.1 (built between 2004 and 2008) a striking GT3 look before the facelift. The bumper is specially designed to improve the aesthetics and aerodynamics of your vehicle. It features precisely cut holes for the headlight washer nozzles, which not only increases functionality but also emphasises the sporty character. The bumper has the OEM numbers 99750596111, 99750596109, 99750596107, 99750596101 and 99750596105, ensuring its authenticity and compatibility with the Porsche 911 model 997. This original Porsche part is new, unused and undamaged. It is supplied primed and is therefore ready to be painted in the colour of your choice.

This replacement part is ideal for owners who want to enhance the appearance of their vehicle or need to replace a damaged bumper. It seamlessly combines style and function to give your Porsche 911 a fresh and dynamic look.
