Product description

The dashboard trim or upper dashboard for the Porsche 911 model 992 is a high-quality replacement part for vehicles that require new or replacement interior trim. This dashboard, specially designed for the Porsche 911 model 992, is made of premium leather and finished in elegant black with fine chalk-coloured stitching that provides an attractive contrast.

The OEM numbers for this product are 992857003AFSXP and 992857003P SXP, confirming its authenticity and compatibility with the corresponding vehicle model. As an original Porsche part, it not only guarantees a perfect fit, but also compliance with the high quality standards set by Porsche.

This new, unused and undamaged dashboard is ideal for owners of the Porsche 911 model 992 who want to upgrade the interior of their vehicle or replace damaged parts. It combines luxury and functionality by offering both an aesthetically pleasing appearance and the durability and performance expected of Porsche replacement parts.

The installation of this part should be carried out by qualified personnel to ensure that the integrity of the vehicle and the functionality of the dashboard are maintained. This product is an excellent choice for those who value quality and originality and want to keep their vehicle in top condition.
