### Product description

The rear spoiler drive for the Porsche Panamera G1/970, specially designed for the Turbo, Turbo S and GTS models, is an essential spare part for the functionality and aerodynamics of your vehicle. This new original part from Porsche ensures that the rear spoiler operates precisely and efficiently, which not only improves driving stability at high speeds but also emphasises the overall design of the vehicle.

The OEM numbers for this specific rear spoiler drive include 97051210911, 97051210909, 97051210907, 97051210905, 97051210903 and 97051210901. This variety of part numbers ensures that the drive fits your specific Panamera model perfectly. As a new, unused and undamaged item, this rear spoiler drive meets the highest quality standards set by Porsche. The use of original parts not only guarantees optimum performance, but also the durability and reliability you expect from Porsche.

This part should ideally be installed by a qualified technician to ensure correct function and safety. The rear spoiler drive is a crucial element for the aerodynamics of your Porsche Panamera and contributes significantly to vehicle control and efficiency. Invest in original parts to maintain the quality and performance of your Porsche.
