Product description

This front trunk lid, also known as the front hood or cover, is specifically designed for the Porsche 911 model 991, including the Speedster variant. The part number for this OEM (Original Equipment Manufacturer) component is 991511011C3G2X, ensuring a perfect fit and compatibility with the designated models.

Crafted with precision, this front trunk lid is an essential part for maintaining the vehicle's aesthetic and functional integrity. It is used to cover the front storage compartment of the Porsche 911 991 Speedster, providing protection and security for items stored within. The design and engineering of the lid adhere to Porsche's high standards, ensuring that it complements the sleek, sporty lines of the vehicle while maintaining the brand's iconic look.

This particular piece is in a used condition but is described as being like new or very close to new. It was removed from a new vehicle with low mileage, indicating minimal signs of wear or usage. The condition is reported to be very good, with only minimal signs of handling or storage marks. As an original Porsche part, it guarantees authenticity and quality, ensuring that the vehicle retains its value and operational integrity.

Whether you are restoring, repairing, or upgrading your Porsche 911 991 Speedster, this front trunk lid is an excellent choice to ensure that your vehicle remains in top condition, both in performance and appearance.
