Product description

The Porsche 911 991 GT2RS rear spoiler or rear wing is an original replacement part for the specific Porsche 911 model from the 991 series. This high-quality component has the OEM number 99151226570A3G and is specially designed for the GT2RS versions of this model. The rear spoiler is made of robust materials, which guarantees a long service life and resistance to environmental influences.

This used component is in very good condition and is undamaged, making it an excellent choice for owners looking for original parts for the maintenance or restoration of their vehicle. The spoiler plays a crucial role in improving the aerodynamics of the vehicle by increasing downforce and improving stability at high speeds. This results in better handling and a safer driving experience.

Installing this rear spoiler is a straightforward, hassle-free process, as it has been designed specifically for the 991 GT2RS models, guaranteeing a perfect fit. This genuine Porsche part is an excellent option for maintaining or improving the performance and aesthetic appearance of your Porsche 911 991 GT2RS.
