Product description

This rear lid, also known as the engine cover, is specifically designed for the Porsche 911 model 991.2 GT3. It is an essential component for owners looking to replace or upgrade the rear section of their vehicle. The part comes with the OEM numbers 99151222590G2X and 99151222587G2X, ensuring it is a genuine Porsche replacement part that guarantees compatibility and performance. Originally used, this rear lid is in very good condition and undamaged, though it is important to note that the color may differ from the images shown. As such, it may require painting to match the specific color of your vehicle, especially if there are minor scratches or imperfections on the surface. This rear lid integrates seamlessly with the Porsche 911 991.2 GT3, enhancing its aesthetic appeal and maintaining the vehicle's high standards of performance and quality. As an original Porsche part, it upholds the brand's reputation for durability and fitment accuracy, making it an excellent choice for maintaining the integrity of your vehicle. Whether you are restoring, customizing, or simply maintaining your Porsche 911 991.2 GT3, this rear lid is an excellent investment, combining functionality with the sleek design expected of Porsche components.
