Product description

The gear knob for the Porsche 911 model 991.1 is a high-quality choice for vehicle owners who value aesthetics and functionality. This gear knob combines elegant design with practical application and is made of carbon, which not only gives it an exclusive look, but also ensures its durability and robustness. The surface is covered with black leather, which is pleasant to the touch and contributes to the stylish interior design of your Porsche. The OEM numbers for this gear knob are 991424075148YR and 991424980138YR, which ensures its authenticity and compatibility with the Porsche 911 model 991. As an original Porsche part, this gear knob guarantees a perfect fit and function as intended by the manufacturer. This product is new and unused, meaning it has no signs of wear, damage or other defects. It is an original Porsche part, which promises high quality and satisfaction.

Installing this gear knob is an excellent way to enhance the interior of your Porsche 911 model 991 and enrich the driving experience with improved feel and appearance.
