Product description

This high-quality LED headlight is an original spare part for the Porsche 911 model, especially for the 991 series. It is specially designed for the left side of the vehicle and meets the specific requirements for vehicles sold on the US market. The headlight unit incorporates the Porsche Dynamic Light System (PDLS), which provides adaptive light distribution and intensity to improve visibility at night and increase safety.

The OEM numbers for this headlight are 99163127526, 99163127523 and 99163127522, which facilitates compatibility and replacement. This used part is in very good condition and undamaged, making it a cost-effective alternative to a new part without sacrificing quality or performance.

The headlight is guaranteed as a genuine Porsche part, which means it meets Porsche's strict quality standards and ensures optimum fit and performance. This makes it an ideal choice for owners of a Porsche 911 model 991 who want to replace a damaged or defective headlight while maintaining the authenticity and performance of their vehicle.
