Product description

These high-quality wheel trims from Porsche are specially designed for a wide range of models and offer an impressive look and a perfect fit. The set of four is compatible with the Porsche Cayenne model 9Y0 from 2018 onwards, Porsche 911 model 992, Porsche Taycan, Porsche Panamera model 976 and Porsche Macan model 95B. The wheel trims feature a concave shape and a rotary-ground surface, also known as a gloss-turned finish. Each cap is also decorated with the colourful Porsche crest, which adds an attractive and brand-specific accent.

With the OEM number 00004460806, these wheel trims are guaranteed as original Porsche parts, ensuring not only a perfect fit but also long-lasting durability. They are new, unused and undamaged, ideal for replacing or upgrading the wheel trims on your vehicle.

The wheel trims are very easy to install and do not require any special tools, offering a quick and efficient way to enhance the appearance of your Porsche. These wheel trims are an excellent choice for Porsche drivers who value authenticity and quality.
