Product description

This original LED headlight for the left side of the vehicle is specially designed for the Porsche Macan model series 95B from 2019 to 2025. It is a used product, but is in very good condition and undamaged. As a Porsche original part, this headlight guarantees high quality and compatibility with the corresponding vehicle models.

The OEM numbers for this headlight are 95B941079BE, 95B941079AL and 95B941079Q. These numbers are important for checking the exact fit and compatibility with your vehicle. The LED technology of the headlight ensures improved visibility at night and in poor weather conditions, contributing to increased safety on the road.

This headlight should ideally be installed by a qualified technician to ensure correct functionality and performance. This original part is an excellent choice for maintaining or restoring the performance and aesthetic appearance of your Porsche Macan.
