Product description

This rear underbody protection panel for the Porsche 918 Spyder is an essential component designed to shield the undercarriage of your vehicle from damage and wear caused by road debris, rocks, and harsh environmental conditions. Crafted from high-quality carbon fiber, this part not only offers superior durability and protection but also contributes to the overall aerodynamics and performance of your vehicle.

The OEM number for this specific part is 91850423901, ensuring a perfect fit and compatibility with the Porsche 918 Spyder model. As a genuine Porsche original part, it guarantees the highest standards of quality and performance that you expect from Porsche.

This new, unused, and undamaged item comes directly from Porsche, providing peace of mind that you are purchasing a product that meets rigorous factory specifications. Whether you're replacing a damaged panel or upgrading for enhanced protection and vehicle integrity, this carbon fiber rear underbody protection is an excellent choice for maintaining the pristine condition and operational excellence of your Porsche 918 Spyder.
