Product description

This high-quality wheel cover for the Porsche Cayenne model 958 (built between 2010 and 2017) is the ideal choice for vehicle owners looking for a combination of stylish design and practical functionality. The widened wheel arch cover is specially designed for 21-inch wheels and not only offers improved protection against dirt and road damage, but also emphasises the sporty silhouette of your vehicle. The wheel cover is primed and ready for painting to match the colour of your car perfectly. This allows for seamless integration into the overall look of your Porsche Cayenne. It is mounted on the rear left side of the vehicle, ensuring a precise fit and easy installation. Part number: 95855982740G2X Product condition: New. This is a new, unused and undamaged original Porsche part, ensuring that the quality and durability of the product meet Porsche's high standards.

This wheel cover is not only functional but also aesthetically pleasing, increasing the resale value of your vehicle by enhancing its appearance while protecting the wheel arch from external influences. Ideal for Porsche Cayenne owners who value original parts and a flawless appearance for their vehicle.
