Product description

This right-side fender is specifically designed for the Porsche 911 models 991.2 GT3RS II and GT2RS. Crafted from high-quality carbon fiber, this fender not only enhances the aesthetic appeal of your vehicle but also contributes to its overall performance by reducing weight. The use of carbon fiber ensures increased strength and durability, making it an excellent choice for both street driving and competitive racing.

The OEM number for this product is 99150303283G2X, confirming its authenticity as a genuine Porsche replacement part. This ensures a perfect fit and seamless integration with your vehicle's existing components. The fender is brand new, unused, and undamaged, maintaining Porsche's high standards of quality and craftsmanship.

Ideal for Porsche enthusiasts looking to maintain or upgrade their vehicle with original parts, this carbon fiber fender combines both functionality and style, reflecting the luxurious and high-performance nature of the brand. Whether you're preparing for a race or simply aiming to enhance your vehicle's appearance, this fender is an excellent investment for maintaining the integrity and performance of your Porsche 911 991.2 GT3RS II or GT2RS.
